## Open invitation for collaboration with Electronics & ICT Academy (E&ICT Academy), IIT Guwahati

We are pleased to inform that Department of Electronics and Information Technology (DeitY), Ministry of Communication and Information Technology (MCIT), Government of India (GoI) has set up an Electronics and ICT (E&ICT) Academy at IIT Guwahati along with four other such Academies. These Academies are being set up for faculty/mentor development and upgradation to improve the employability of graduates/diploma holders, in general, including those in Electronics and ICT streams, through the collaboration of State Governments with the financial assistance from the Central Government. These Academies are also entrusted to work towards creating a pool of skilled human resource in emerging areas in consonance with the Digital India and Electronic Design and Manufacturing (ESDM) initiatives of Government of India (GoI). The Academy at IIT Guwahati has been given the mandate to cover the North-East region. As per the mandate given by DeitY, each Electronics & ICT academy (E&ICT Academy) has to conduct various courses with **Academic Partners** and **Industry Partners** to train manpower in the area of emerging technologies and to impart knowledge in academic driven courses to increase employability. Therefore, we invite interested **Academic Partners** to collaborate with the E&ICT Academy at IIT Guwahati for providing Infrastructure for conducting training and development programmes at their premises within North-East.

**For the “call for collaboration” with Academic Partners**, a link is given below to submit details. These **Academic Partners** will be paid as per the cost approved in the budget. Any amendment to the payment will be made through approval of the competent authority. The selection of the **Academic Partners** will be made based on the Academic Institute’s geographical location as well the adequate infrastructure available.

Interested **Academic Partners** can register by filling the registration form available in E&ICT Academy’s Official website <http://eict.iitg.ernet.in/index.html>. It is mandatory for **Academic Partners** to email the soft-copy of the registration form (available at the website in DOC formats) to official email id [eictacad@gmail.com](mailto:eictacad@gmail.com)/[eictacad@iitg.ernet.in](mailto:eictacad@iitg.ernet.in) and submit the hard-copy of the registration form (available at the website in DOC formats) on or before 25<sup>th</sup> August, 2016 at the mailing address given below.

**DR. GAURAV TRIVEDI,**

For any clarification **Academic Partners** may contact **Dr. Gaurav Trivedi** through email to **trivedi@iitg.ernet.in** or by calling him on **+918011000783**.

Eligibility criterion for the selection of **Academic Partners** and mode of operation through them are given below.

**Eligibility Criterion:**

1. The Institute should be Science, Technology, Arts, Master of Application or Commerce oriented having strong IT background.
2. The Institute should have required infrastructure support as required by E&ICT Academy. The laboratory should have all the required equipment with a minimum sitting capacity of 40 students. The class room should have NKN/smart classroom with a minimum sitting capacity of 40 students setup for conducting the classes across the different region of North east.
4. The Institute in Science, Commerce, Arts, Master in Computer Application area should have courses running up to Master's Degree (preferably) or above.
5. The infrastructure provided by Academic Partners for the course execution are to be approved by the E&ICT Academy.
6. The E&ICT Academy reserves explicit right to choose Academic Partners for training program.
7. Academic Partners (established organizations or institutes in the area of Education) having MoU with the E&ICT Academy will be eligible for inviting the other Institutes to get associated with our training program. The E&ICT Academy reserves the right to choose them for training program explicitly.
8. The E&ICT Academy will be solely responsible for identifying courses which will be conducting throughout the year in association with Training Partners, companies and academic collaborators not only at IIT Guwahati alone but also at other geographic locations in North-East.
9. The E&ICT Academy reserves its right to choose Academic Partners suitable to any course in any location of mutual interest.
10. Amendment to the eligibility criterion can only be made after taking prior approval of the competent authority.
11. Academic Partners will be informed by the E&ICT Academy for any changes, if made, in the mode of collaboration and operations.
12. The E&ICT Academy authorized Academic Partners will be allowed to contact other institutes or organizations for starting batches for training purposes either in kind or in revenue sharing basis. Examination of the courses will be conducted by the E&ICT Academy.

13. Teaching and training of participants to various courses at E&ICT Academy will be conducted by Academic partners either in kind or on paid basis as per the mutual agreement and based on the subject, area, type (basic, advanced and research oriented) and duration of the courses in the area of Electronics, Information & Communication Technology and related areas. The courses might be conducted multiple times with academic participation as per the mutual convenience.

**Mode of Operation:**

1. Collaboration in teaching and training either in kind or on paid basis as per the mutual agreement based on the subject, area, type (basic, advanced and research oriented) and duration of the courses in the area of Electronics, Information & Communication Technology and related areas. The courses might be conducted multiple times with academic participation as per the mutual convenience.

2. Academic specific training programmes or courses should be promoted and hosted by E&ICT Academy with the active participation of the Academic Partners.

3. Participation in the development of the courses and training modules for enhancing the employability for the registered Stakeholders.

4. Collaboration in research and development, and consultancy works.

5. The exchange of academic & research materials and joint publications.

6. Cooperation in projects, research activities of mutual interest.

7. Publication of Intellectual properties (IPs) developed jointly through project/research collaboration.

8. Participation in seminars, colloquia, and other types of academic discussions.
