Course Coordinators from Academy

- **Prof. Ratnajit Bhattacharjee**
*Principal Investigator,
E&ICT Academy, IIT Guwahati.*
- **Prof. Rohit Sinha**
*Co-Principal Investigator,
E&ICT Academy, IIT Guwahati.*
- **Dr. Gaurav Trivedi**
*Co-Principal Investigator,
E&ICT Academy, IIT Guwahati.*

Expert from Industry

- **Ms. Bindu Sharma, CEO, Founder, Origii IP Academy LLP.**
- **Ms. Priyadharshini Origii IP Academy LLP.**

How to Reach IIT Guwahati

Indian Institute of Technology Guwahati is located just on the outskirts of the city of Guwahati and is well connected to other parts of the country by road, rail or air. There are direct air services from/to Mumbai, New Delhi and Kolkata with connectivity to all major cities. For information of trains to Guwahati please visit the Indian Railways website www.indianrail.gov.in. For commuting from the station to the North Guwahati IIT campus bus service is available from G.N.B. road, Panbazar as per the schedule which can be downloaded from the following link:
<http://www.iitg.ac.in/aa/pages/campusmap/files/bus-timings-2010.pdf>

An Initiative of Department of Electronics & Information Technology (DeitY), Ministry of Communications and IT, Government of India

**Electronics & ICT Academy
IIT Guwahati, Assam**

A Training Programme on

Relevance of IPR for research

**Organized with support from
Origii IP Academy LLP**

Applications are invited from Faculty Members/ Research Scholars/PG & UG Students/Lab Technicians/Project Staffs from Universities/Colleges/Schools & Industry Personnel working in the concerned discipline can attend the Training Programme on

“Relevance of IPR for research”

Course Date: 29 May – 03 June, 2017

Last Date of Registration: 27.05.2017

(Online Registration Link will be open from 01.04.2017)

Venue: IIT Guwahati

Objective of the Course

Intellectual Property Rights (IPR), specifically patents has gained importance much more than before. For researchers, knowledge of IPR is critically to understand how to improve quality of research by implementing patent search as a part of research process and at the same time to protect, exploit and monetise outcome of research effectively to extract long term benefits of the same. Effective and practical IP strategy can make significant difference in the quality of research outcome. Objective of the course is to address all IP related issues related to research.

Course Programme

Faculty Development Programme is split into 3 parts:

- Lectures.
- Labs/Hands-on sessions on patent search/specifications.
- Assignments and Project.

Who Can Attend

Programme is open to Faculty Members, Research Scholars, PG & UG Students, Lab Technicians and Project Staffs from Universities, Colleges & Schools. Industry Personnel working in the concerned/allied discipline may also apply.

How to Apply

Online – The participants may log on to the E&ICT Academy, IIT Guwahati website: <http://eictacad@iitg.ernet.in> and fill up the google doc application form.

Through Email – Scanned copy of the filled in application form duly endorsed by the, forwarding authority is to be mailed at E&ICT Academy's email id (eictacad@gmail.com, eictacad@iitg.ernet.in). Application format given in this brochure may also be downloaded from the website.

Contact Hours for the Course
50 Hrs (Theory, Hands-on & Tutorial)

Course Outcome

The participants will be given a thorough understanding of the following topics:

- Overview of IPR
- Patents and criteria of patentability
- Importance of patent search for research and analysis of prior art
- Type of patent application
- Patent filing process and prosecution
- Documentation of invention and formulating the same
- Anatomy of patent and basics of patent specification drafting
- Copyright and plagiarism
- IP monetization and technology transfer

Assignment and Project

1. Assignments will be of the following type:
 - MCQ based questionnaire.
 - An invention detail will be provided to work upon patentability assessment, anatomy of patent, claim analysis
2. At the end of the course "Project" will be assigned to the participants which would be related to performing patent search and drafting patent claims. The participants will be given specific timeline to complete and submit the project.

Preferred Pre- Requisites for the Course

The preferred Pre-Requisites for the course is:

- Candidates with Science/ Engineering background or law graduation.

About Origin IP Academy

Origin IP Academy (OIPA), founded in the year 2008, is India's premier institute for IP (Intellectual Property) learning. Main objective of OIPA is to provide a platform for IP learning not only for corporate but also for the domain experts to learn various skills needed in the market such as patent searches, patent specification drafting etc. The mission of OIPA is to provide a wholesome IP education by giving an insight into the practical applications of IP practices and enable the participants to work independently and immediately after completion of the course.

About E&ICT Academy

Electronics and ICT Academy is an initiative of Department of Electronics & Information Technology (DeitY) Ministry of Communications and IT, Govt. of India for Faculty/ Research Scholar Development Programme.

Academy has planned short term training programmes on fundamental and advanced topics in IT, Electronics & Communication, Product Design, Manufacturing with hands on training and project work using latest software tools and systems.

In addition, the Academy will conduct specialized/customized training programmes and research promotion workshops for corporate sector & educational institutions.
